

## **Job Opportunity: Locum Equine Anaesthetist/Intensivist**

### **Veterinary Teaching Hospital, University of Liege**

The Veterinary Teaching Hospital of the University of Liege is seeking applications for a Locum position as an Equine Anaesthetist/Intensivist for a minimum period of four months. This position will remain open until filled.

The successful candidate will be responsible for administering anaesthesia and providing peri-operative care for hospitalized equine patients. Additionally, she/he will actively contribute to the educational initiatives of our team. The role will entail participating in a 1 in 4 out-of-hours rotation schedule.

This position is ideally suited for individuals with a robust background in equine medicine and anaesthesia.

For further details, please reach out to Charlotte Sandersen at [charlotte.sandersen@uliege.be](mailto:charlotte.sandersen@uliege.be). To apply, please submit your CV, a cover letter, and two letters of recommendation to Nadine Fis at [nadine.fis@uliege.be](mailto:nadine.fis@uliege.be).

We look forward to receiving your applications.
